

FOOMA JAPAN 2023 Accelerates Your Business Growth in the Food Market!

FOOMA JAPAN 2023 will feature an extensive lineup of excellent products for food factories. The 900 exhibiting companies, even higher than the previous year, and expanded content being exhibited will create meaningful opportunities for visitors from all over the world. Experience the next generation of the food industry through the real operation of real machinery in all fields, from labor-saving solutions, automated cutting-edge machinery, robots and AI to food hygiene management.

Ongoing Innovative Projects

Featuring the booths of Japanese food tech venture companies, the Start-up Zone explores solutions that revolutionize food manufacturing with science and technology.

The FOOMA Award will recognize groundbreaking technological research and development. Awards will be presented to Japan's best food manufacturing and processing technologies to showcase technological prowess to the world and offer new users the opportunity to introduce them.

Food Event: FOOMA Tokyo Bar

Eating and drinking establishments will be set up during the exhibition period. Lunch will feature mainly Japanese lunch boxes, while beer, Japanese sake, and snacks will be available in the evening.

Location Rotary of East Hall 1

FOOMA Collect

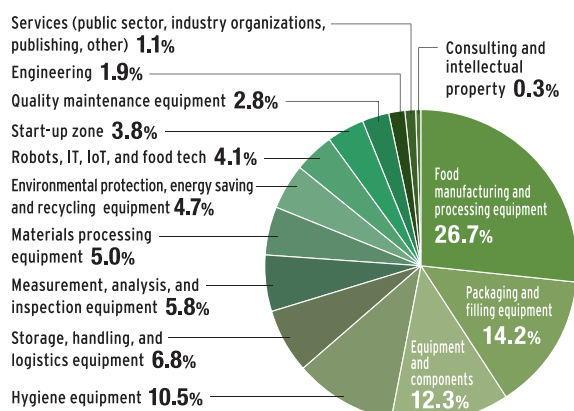

FOOMA Collect connects visitors and exhibitors. Simply scan your admission pass at an exhibitor's booth to download their contact information and digital brochure to your online visitor account.
